

SPRING 2020 MID-WEEK SEMINAR SERIES

February 4 Host: Ward	Dorthe Eisele , CUNY Center for Discovery & Innovation <i>A Paradigm Shift Inspired by Nature: Robust Frenkel Excitons Despite Extreme Heat Stress</i>
February 11 Host: Woerpel	David Lee Phillips , University of Hong Kong <i>Time-Resolved Spectroscopic Studies of Selected Photodeprotection Compounds and Insight into Their Reaction Mechanisms</i>
February 18 Host: Arora	Jayanta Chatterjee , Indian Institute of Science, Bangalore <i>A Single Atom Substitution Improves the Pharmacological Properties of Macrocyclic Peptides and Increases Protein Stability by Desolvating Amide Bond</i>
*February 24 Host:	Pance Naumov , NYU Abu Dhabi
March 3 Host: Lupoli	Tamara Robles , Merck
March 10 Host: Diao	Todd Hyster , Princeton University <i>Photoenzymatic Catalysis - Using Light to Reveal New Enzyme Functions</i>
March 31 Host: Diao	Hans Renata , Scripps Research Institute <i>Biocatalytic C-H Oxidation as an Enabling Tool for Complex Molecule Synthesis</i>
April 7 Host: Hocky	Aaron Dinner , University of Chicago
April 14 Host: Diao	Bradley Carrow , Princeton University <i>Polarization and Polarizability as Design Elements in Catalysis</i>
April 21 Host: Diao	Song Lin , Cornell University <i>Amping Up Organic Synthesis with Electricity: Electrocatalytic Difunctionalization of Alkenes</i>
**April 23 H: Canary & Diao	Eric Jacobsen , Harvard University Student Talk
April 28 Host: Arora	Jonathan Sczepanski , Texas A&M University <i>Synthetic Chromatin and Mirror Image Oligonucleotides</i>
May 5 Host: Traaseth	Linda Columbus , University of Virginia <i>From Lipid/Detergent – Protein Interactions to Host – Pathogen Interactions: How Do Membrane Proteins Work?</i>

Unless otherwise noted, seminars will be held on Tuesdays at 11:00 a.m. in room 1003 Silver Center.
31 Washington Place, between Greene Street and Washington Square East.

*This seminar will take place on Monday.

**This seminar will take place on Thursday. This is the McNelis Distinguished Speaker's student talk.

Classes, January 27-May 11

Graduate Recruitment, February 14 and March 6; Presidents Week, February 17-21

Spring Break, March 16-20; Nichols, March 27; ACS Meeting in Philly, March 22-29

Passover begins the evening of April 8; Good Friday, April 10

Unless otherwise noted, seminars will be held on Tuesdays at 11:00 a.m. in room 1003 Silver Center.
31 Washington Place, between Greene Street and Washington Square East.

*This seminar will take place on Monday.

**This seminar will take place on Thursday. This is the McNelis Distinguished Speaker's student talk.
